Counsel and any pro se individuals will need a computer or telephone with a camera in order to log into the ZOOM hearing. Zoom is available for free download at <https://zoom.us/download>. Parties and counsel in every case must be ready for trial, as cases will not necessarily be called in the order in which they appear on the calendar. Any exhibits or documents to be tendered at trial, as well as proposed orders, should be filed into the record no later than Tuesday, April 19, 2022.

Counsel should also be prepared to use the share screen feature offered by Zoom so any opposing Counsel or party may review potential evidence during the proceedings. Continuances are only granted for legal cause and a timely conflict letter in full compliance with Rule 17.1 is required. Failure to report as indicated may result in dismissal, the exclusion of evidence, or other sanctions. If take down is desired, the parties are responsible for arranging for a Court Reporter, either through the Stat Court Reporter's Office or a private court reporting service.
